THANK YOU TO ALL OUR AMAZING VOLUNTEERS

Manachester House would like to thank our volunteers for the work they do on our behalf. As a social enterprise we rely on our volunteers to do a range of work across our organisation. such as:

- Op Shop volunteers man the till, mend cloths, sort donated goods, sell products via Trade Me and collect goods for sale
- Manchester House volunteers write policies/procedures, thank you letters/cards, provide knitting and quilting, mentor our Methamphetamine Group, and collect and package donated food.
- Senior Hub volunteers assist with gardening, exercise programmes, bingo, morning and afternoon teas and entertainment.
- Board members undertake governance work for all divisions of Manchester House.

Your help is so important to our business and without you we would not be able to do what we do .

HAERE RA TO TIMA FROM MRSS

Tima Simms has been supporting our more remote rural communities as a Rural Community Worker with Manawatu Rural Support Service (MRSS) for 13 wonderful years. During this time she has built strong relationships with many families helping them to achieve their goals. She has raised the profile of MRSS by building trust while supporting community resilience. One of the highlights of Tima's career has been bringing communities together by forming Garden Groups, organising workshops based on community requests, and helping individuals and families to thrive. Her counselling skills, along with the skills she brought from other career paths contributed to her success. She has enjoyed the challenges she has faced along the way looking at challenges as an opportunity to learn. Tima has always been passionate about her work and the people she encounters along the way. She will be greatly missed by MRSS and the rural community when she retires early next

"MRSS, along with MHSS, wish Tima all the very best and hope her retirement is full of wonderful new experiences"
