Manchester House 50th Celebration

As part of our 50th Celebration Manchester House was gifted this beautiful Maori Korowai cloak made by **Bridget Gowan** representing the Tui which is a part of MHSS branding. The cloak is made from recycled fabric. David Scammell Chair of our Board accepted the Korowai on behalf of MHSS. The cloak will be gifted yearly to someone who has outstanding service in the organisation.

It was lovely to see all our supporters who came to celebrate our 50 years of serving the community. John and Diana MacDonald (**pictured**) cut the cake at the celebration. They have been a part of the Manchester House family for many years.

If you would like to support Manchester House, Bobbie Nicholls who is a part of our Board has collated a Celebratory Book on the first 50 years of our history. These can be purchased at 68 Aorangi St for \$20

Manchester House Senior Hub Seniors Expo

Another hugely successful expo event! It was a pleasure for the Manchester House Senior Hub to be able to show case local clubs/services & organisations available to the our community seniors. A big thank you to all our wonderful site holders, our volunteers and those who come to the Expo.

Help us to support our community celebrate Christmas

It is that time of year when our families may need some Christmas cheer. Last year Manchester House, with help from the Community, gave out over 60 Christmas food parcels. The parcels had all the things that you would see on a traditional Kiwi Christmas table. We also have our Christmas cave where families can choose presents for their children. We don't want any children to go without. If you would like to donate good quality gifts and food that can make a Christmas day special, please bring in your donations to Manchester House, 68 Aorangi Street. We cannot do what we do without your support.
