AFTER

Manchester House Op-Shop held a Business After 5 event to celebrate the opening of the shop and to thank our community businesses. We would like to thank all that came we appreciate your ongoing support. We have had great feed back from our community saying how much they are loving our new shop! Plus it's our 50 Anniversary this year and we look forward to serving you for another 50 years.

Check out our New Doors

If you have been to MHSS Aorangi Street lately you would of seen our new doors. Our old doors where getting harder to open and looking pretty shabby. We are pleased to have our new doors easier access for our clients as well as for wheel chairs. They also let more light into the building .

Good Bitches Baking

Every Thursday a box of goodies comes through the door with a hand written note. These are brought in from the team of Good Bitches who are a collection of keen bakers across Aotearoa who spread a bit of sweetness to people in the community. These goodies are shared at our Addiction support Group on Thursday night and if there is any left overs they are enjoyed at lunch time with the staff.

Thank you to all the lovely ladies that bring them in.

Thank You
