Farewell to Kevin Darragh

Tuesday 21st March was a very sad day for Manchester House. We said our farewells to our loved ex-Chairman and Board member Kevin Darragh. Kevin had joined the Manchester House Board in 2015 and became Chairman in 2016, pulling us through some difficult and very time consuming hours of restructure and re-organisation.

Coming from the business world and then having to learn the workings and trappings of the not-for-profit charitable sector, was a challenge Kevin undertook with dedication. He was a quick learner, great with figures and finances and soon had us back on-track and doing what we do best - serving our community.

We will miss our friend who was always so thoughtful, down-to-earth and such a 'very nice bloke'. Our thoughts are with Jill, his wife and family at this time.

Our very special thanks to Kevin who served and gave to this community in so many different ways.

Our very own Super Hero

Manchester house has our very own Superhero and thanks to one of her clients she now has the cape to prove it! Robyn has helped so many people over her years of being at Manchester House she definitely deserve her cape.

MHSS Addiction Support Group has been busy

MHSS Addiction Support Group has been busy helping our community. Their first job was helping clear up a section of a family that are going through some hard times. .

The Addiction Support Group also undertook to assist us to extend our fresh produce garden. In conjunction with Rotary, we are extending our small garden to provide year-round produce (fruit & veggies) for our sharing table. Bunnings have also been a huge support to us by providing tools. Thank you to all those who are involved in this project - you will make difference!

Our Addiction Support Group meet every Thursday night 6pm through the back entrance 68 Aorangi Street Feilding.
All are welcome.

Thank you to Feilding Kowhai Lions Club who baked some yummy easter treats for our clients.

Happy Easter!
