Salt n Honey continual support of Manchester House

Jo & Nick opened Salt & Honey in Feilding in July 2022. They sell a variety of clothing and unique gifts. Prior to Christmas 2022, they offered to sell a range of men's and women's T-shirts and unisex sweatshirts, in an endeavor to raise money for Manchester House. The ethos of Manchester House assisting anyone who walks through our doors, appealed to Jo and Nick and as their business is well supported by this community, they wanted to give something back in return. Every sale of the goods above returns a percentage to Manchester House to assist with the work we undertake here in Feilding.

Thank you Salt & Honey

Covid response award

Manchester House recently received from the Prime Minister an award and pin in recognition of our service in support of the national Covid 19 response. Manchester House staff left their normal jobs to pack and deliver Covid food parcels and care packs for the elderly in our community. We all appreciate the recognition for our hard work over this difficult time.

Community garden is under way

Manchester House, in partnership with Rotary, have commenced a new undertaking to establish a community garden. The intention of the garden is to provide fresh

fruit and vegetables for

people in our community who are struggling with the cost of living. The first part of the project is to clear the site of years worth of debris and this was done recently by volunteers. The next phase is to establish the garden beds and we are grateful to Bunnings Feilding who have provided us with tools etc..

What's on @ the Senior Hub?
