

Greetings! We're excited to present the 30th edition of our Newsletter. Spring is here and the weather is improving. Take a break, from the garden, get yourself a cup of tea, and enjoy the latest news from Manchester House.

## Celebrating Manchester House work for the community.

Manchester House is thrilled to announce that we have been awarded **The Social Impact Award** at the Feilding Business Awards. This honours our organization's unwavering commitment to enhancing the lives of our community members through our services. Jacqui Emery was also awarded **runner-up for the Impact Player Award**. This award is given to individuals who make a significant positive impact on their team and the people around them. We want to take this opportunity to express our sincere gratitude to all of our supporters in the community. Though our job can be challenging at times, the knowledge that people in our community appreciate our hard work and recognize our efforts makes it all worthwhile. Thank you for your ongoing support. We extend our thanks to the hardworking team at Feilding and District Promotions, as well as all the workers who made the evening a huge success.

**HAPPY BIRTHDAY**

## Happy 1st Birthday Manchester House Op shop

**Celebrating One Year in Our New Shop with Great Success!**

Our Op Shop recently marked its first anniversary since moving to the new location at 96 Fergusson Street and it's been a fantastic year! We're thrilled to have received plenty of positive feedback from our customers. Our window displays are always stunning and the quality of our secondhand goods is top-notch, offered at very reasonable prices. We're proud of the hard work that Megan and the team have put in to make this possible. To show our appreciation, we celebrated our first anniversary with a one day half-price sale on all clothing.

# Trading Post Clean Up

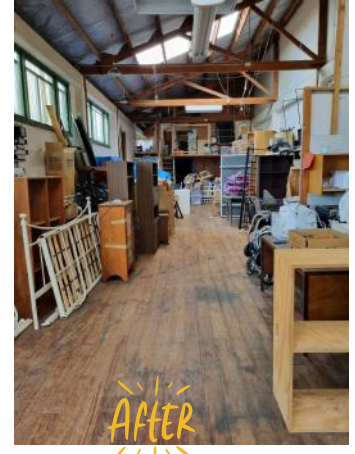

Expressing Gratitude for Rotary Volunteers Who Helped Clean Out Trading Post. We give thanks to the team of Rotary volunteers, Ron and Ashley, for their assistance in cleaning out our Trading Post. This storage area serves as an overflow space for our Op Shop furniture and storage for our Social Services. We greatly appreciate the team's hard work, as it is sometimes difficult to find time to sort through everything and maintain tidiness. The volunteers did an amazing job, and we are very grateful for their efforts. We thanked them with a yummy lunch.

thank you
