Our Senior Hub is blooming

Did you know that our Senior Hub has welcomed over 8000 visitors this year so far? Our exercise classes are especially popular, having grown to four classes per week with a potential fifth on the horizon. We're proud to have over 240 participants currently enrolled. Our other classes range from computer/tech advice to memoirs, and even monthly live entertainment. There's something for everyone, including Men's Groups, Quiz Afternoons, Bingo Afternoons, Senior Advocacy, Horizons Taxi Assessments and various one-off activities. As the number of senior citizens continues to grow, remember The Senior Hub offers a valuable and successful means of providing social interaction.

If you would like to participate in any of these activities, please contact Sandy or Lee 3232410 14 Bowen Street Feilding.

We would like to extend a heartfelt thank you to all the residents at **Woodland Villas** for their annual food collection. Your contributions will help us stock up our food bank, which is especially significant this time of year due to school holidays.

Introducing Lucy Duncan.

We are delighted to have **Lucy Duncan** working with us as part of her Social Work placement, under the guidance of our amazing Social Worker, **Monica Mealy-Barnes**. As a lifelong resident of Feilding, Lucy has raised a Whanau while studying for her Bachelor of Social Work degree. Her passion lies in supporting and empowering Tamariki and Rangatahi by creating a secure and nurturing space where they can flourish and achieve their full potential. We are thrilled to have her contributing to our team.

Manchester House Joins Feilding Rural Day Festivities

By decking out our windows and even
crafting our very own **Robyn Duncan
scarecrow** – it turned out amazing! I hope
everyone got a chance to take a peek at our
Rural display in the Op shop too.
