Visitor to Manchester House

We were honored to welcome Hon Matt Doocey MP, New Zealand's first Minister for Mental Health, and Suze Redmayne, MP for Rangitikei to Manchester House. During their visit, our team had the opportunity to share their perspectives on mental health matters and discuss the incredible addiction and mental health support initiatives we undertake in our community.

Thank you Central Demolition

A massive thank you to the **Central Demolition** team, whose hard work greatly contributed to tidying up our Trading Post. This space serves as extra storage for goods meant for our Op shop, as well as furniture for clients transitioning into housing or for fire victims. During busy periods, the Trading Post can become quite disorganized, and we are fortunate to have community members like **Central Demolition** generously offering their time to assist us.

GRATEFUL

We extend our gratitude to the **Feilding Seventh-day Adventist Church** for their generous donations to our food bank. This Church consistently supports Manchester House, along with numerous other Churches in our community.

Kaia Te Moana is participating in the William Pike Challenge, which requires completing 20 hours of community service. She organized a food drive for our food bank, gaining insight into its operations, and baked delightful cupcakes for Manchester House.

Supported by Manchester House Senior Hub, the **Feilding Lions** hosted their Annual Mid-Winter Christmas Dinner for the elderly on Sunday, July 14th, at St. John's Anglican Church Hall. A total of 189 elderly attended, and based on the feedback received, it was a delightful event. Interestingly, this marks the 27th year that the club has organized this annual gathering.
