Did you see us at the Farmers Market?

Manchester House had an information table displaying the positive contribution we make to our community as well as our various programmes. This was manned for us by Nigel Ramsden. It provided a fantastic opportunity to engage with locals and spread the word about our what we do. Be sure to keep an eye out for us at future Farmers Market and at our Senior Hub Senior Expo, Friday 25th October 10am - 2pm Civic Centre Feilding

thank you

On behalf of Manchester House, we would like to express our sincere gratitude to all the amazing individuals who come in to donate. Our community is filled with amazing people who give so selflessly. We appreciate those who kindly bake and cook for us to share with others. We also give our thanks to those who bring fresh produce from their gardens, as well as to everyone who donates meat, and our wonderful group of knitters who help keep our community warm. All these humble individuals ask for nothing in return for their generous contributions. They truly are the gems of our community.
