Manchester House Christmas Santa Cave & Food Collection 2024

Christmas is a season of joy and cherishing moments with whanau and friends; however, it also highlights the struggles faced by many in our community who cannot fully enjoy the festivities because of financial concerns.

Each year, with the support of our community, we assist families during the Christmas season to help alleviate their stress. We do this by providing Christmas food parcels and gifts. If you would like to help spread holiday cheer in our community, we welcome donations of gifts and festive treats to include in our Christmas food parcels.
